CIRCLE OF POVERTY

Art Pope is NC's biggest political donor. He uses \$\$ from his stores to fund right-wing groups and politicians who pass laws that keep his customers and workers poor.

ART POPE'S NETWORK

\$40 million linked to Pope's stores has gone to political donations and rightwing groups like Americans for Prosperity and Civitas.

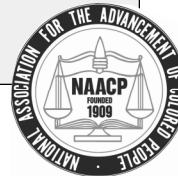

Pope's money put conservatives in charge of the legislature and elected Gov. Pat McCrory. Pope is now McCrory's Budget Director.

Budget Director Pope helped pass laws that:

- Cut aid to the jobless; fired teachers.
- Cut early voting, make voting harder.
- Cut taxes for rich, make the poor pay more.
- Cut health services for women and kids.
- Gut environmental & safety regulations.
- End the Racial Justice Act for fair trials.
- Raise interest rates on small loans.
- Kill public campaign financing, so big private donors like Pope call the shots.
